

**Carving Instructions:**

1. Hollow out your pumpkin.
2. Print stencil and cut out the black areas with scissors or a craft blade.
3. Tape stencil onto pumpkin and use a black marker to trace the lines.
4. Remove the stencil and use your choice of tool to cut outlines on the pumpkin.

*If under 18 years of age, seek supervision and assistance from an adult.*

CAN IT,

Y'ALL
